

Lake Superior Zoo: MEMORIAL / TRIBUTE PARK BENCH APPLICATION

The Lake Superior Zoological Society would like to suggest an option available to memorialize or honor a loved one – a Memorial / Tribute Park Bench to be placed at the Lake Superior Zoo. The bench is 72 inches and made of a maintenance-free, recycled material that will last a lifetime and fit with the conservation mission of the Lake Superior Zoo. A brass plaque on the bench, inscribed with your message, will memorialize or honor your loved one. The total cost is \$1,500, which includes the bench, plaque and installation.
